DEACON BLUE

THE REST [DELUXE 2 CD + DVD CASEBOUND BOOK EDITION]

- This **fifth release in Edsel's series** of Deacon Blue reissues **collects up all the songs and recordings, originally issued on 'Riches', 'Ooh Las Vegas' and 'Walking Back Home', that do not belong on any of the core 'parent' albums.** These songs were not associated with any of the studio albums so **the band has created this new casebound book compilation** that they have called **'The Rest'**.
- Starting with the band's **biggest singles chart success, the "Bacharach & David EP"**, the collection takes in the **three new tracks** added to the **1994 hits compilation "Our Town"** (another # 1 **Double Platinum** success) and the **b-sides** from the singles, along with the **seven new songs on 1999's 'old and new' release "Walking Back Home"**, the **three new songs on 2006's "Singles"** package and **two live b-sides**.
- The **DVD features the promo videos** while the booklet features a **newly-written note by Ricky Ross**, all the **lyrics** to his songs, and **ephemera and photos from his own collection**.
